Renaissance® Receives the KASA Heart for Education Award

(Frankfort, Ky) The Kentucky Association of School Administrators (KASA) awarded Renaissance® the 2018 Heart for Education Award.

Presented annually to a high level business partner who works with KASA to provide learning opportunities and services to Kentucky school districts and who goes above and beyond in serving children and public education, giving generously of their time and resources at a level that exceeds expectations.

Joe Carter, Educational Account Executive and Raleigh Poole, Kentucky Sales Representative were presented the award at KASA's 50th Annual Leadership Institute, July 26 in Louisville.

This high-level KASA partner since 2014 has supported Kentucky educational leaders and students for more than 30 years. From their beginnings with Accelerated Reader, Renaissance® has grown their support solutions to Star Assessments, Accelerated Reader 360 and MyOn Reader, MyOn News, Accelerated Math, English in a Flash and Math Facts in a Flash. Renaissance® transforms data about how students learn into instruments of empowerment for classroom teachers, enabling them to guide all students to achieve their full potential. Through smart, data-driven educational technology solutions that amplify teachers' effectiveness, Renaissance® helps teachers teach better, students learn better, and school administrators lead better. By supporting teachers in the classroom but not supplanting them, Renaissance® solutions deliver tight learning feedback loops: between teachers and students, between assessment of skills mastery and the resources to spur progress, and between each student's current skills and future academic growth.

The Kentucky Association of School Administrators is the largest school administrators' group in Kentucky, representing more than 3,100 education leaders from across the commonwealth. Formed in 1969, KASA connects education leaders to policymakers, legislators, and other interest groups and provides numerous benefits and services to Kentucky's school administrators.
